

K-LOVE is an excellent radio station that meets my needs for worshipping God through godly music and praise. If K-LOVE were to be replaced by an LPFM station, I would severely miss this station as there is not another station like K-LOVE in my area. My kids listen to the station (ages 2 & 4) and request that I turn it up when a song that they like comes on the radio. I get great amounts of encouragement with the brief segments the air from Focus on the Family and Proverbs 31 woman. I believe that the service provided by K-LOVE is in the public interest because it sends a positive message in a negative world. All of my friends and neighbors listen and support K-LOVE. Please keep this station on the radio and do not let an LPFM broadcaster provide other programming. Thank you and God Bless you.
